

INSPIRED BY OUR VAST AUSTRALIAN LANDSCAPE

Limited Edition Saddle Head Nails

We've worked closely with a 3rd generation Australian jeweller, Paul Minzenmay, in designing these beautiful, hand crafted Head Nails, to add that touch of glamour to your saddle. There are three designs to choose from, each individually crafted so no two head nails are alike.

Inspired by our vast and contrasting Australian landscape and precious native gifts, we have three head nail designs to choose from as part of a custom-made Peter Horobin Saddlery bespoke experience.

You can choose:

PHS Logo - individually hand engraved in 9ct Gold or Sterling Silver

Salt Flats - in 9ct Gold or Sterling Silver

Black Onyx and Diamonds

These head nails are an additional cost when ordering a custom made saddle.

BLACK ONYX AND DIAMOND SADDLE NAILS

For a complete bespoke experience

We have worked with 3rd generation local Australian jeweller, Paul Minzenmay in designing these beautiful saddle head nails. These head nails are the ultimate touch of glamour in creating your bespoke custom made saddle.

Each saddle nail consists of an 11cm diameter 18ct rose central bezel setting, set with a round cabochon black onyx. The setting is surrounded by 22 PASSION8 grain set diamonds, set on an 18ct rose gold round disc. The round disc is 16mm diameter x 2mm thick and is soldered on top of a silver nail. The nail consists of an 8mm diameter and 0.5mm thick silver round head with a 2.6mm diameter x 38mm long silver round wire nail. With polished and bright cut finishes, the PASSION8 Diamonds display 8 perfect Hearts and 8 perfect Arrows.

These head nails are an additional cost when ordering a custom made saddle.

SALT FLATS SADDLE NAILS

Inspired by Nature

We have worked with 3rd generation local Australian jeweller, Paul Minzenmay in designing these beautiful saddle head nails. Available in 9ct Gold or Sterling Silver, these head nails make a classy addition to your custom made saddle. The Salt Flats head nail is individually hand crafted, so no two head nails are alike.

The round disc is a 16mm diameter x 2mm thick and is soldered on top of a silver nail. The nail consists of an 8mm diameter and 0.5mm thick silver round head with a 2.6mm diameter x 38mm long silver round wire nail. It has a beautifully polished and diamond bur finish.

These head nails are an additional cost when ordering a custom made saddle.
