#### **ABOUT US**

A family business since 1985.

Peter Horobin Saddlery was created by Peter & Julie Horobin when they were first married. Their energy, hard work, and drive for craftsmanship & equine back health has evolved into a well known and admired company on an international stage.

Rhys & Marlee Horobin son and daughter - who's experiences are in the field of saddle design, saddle fitting, manufacturing and creative inspiration have been intrinsically involved in the business for the last 15 years.

Undoubtedly - the Horobin family, continue to evolve their brand to ensure that Peter Horobin Saddlery continues to strengthen and deepen in quality and craftsmanship for many years to come.

Riding in a Peter Horobin Saddle is part of the wellbeing of you and your horse – a fundamental choice for equine back health, owning one of our saddles, maximises enjoyment in the privilege of owning a horse. We help you stay connected to your horse. Which in itself is a life well lived.
